## OUR LASER

*Let younger-looking skin do the talking for you. The latest laser technology, GentleMax Pro, eliminates facial and leg veins, removes unwanted hair, reduces facial redness, tightens skin, and clears your skin of pigmentation and sun spots. Safe, comfortable, fast and effective treatments with no downtime.*

*A complimentary consultation with Dr. Harpe is required prior to any treatment to assess if you are a good candidate for Laser Services.*

### Laser Removal of Pigmented and Vascular Lesions

*Dr. Harpe and his staff have developed safe, effective protocols for treating benign hyperpigmentation and vascular lesions, including freckles, sun spots, age spots, birthmarks, and spider veins.*

*Pricing and treatment plans will vary depending on the depth, size, location and type of pigmentation, Some lesions are removed with one treatment, while others may require a series or two of three sessions.*

*Any area of the body can be treated safely and effectively. Treatments start at \$75 per session. Detailed pricing will be quoted during your consultation with Dr. Harpe.*

### Laser Skin Rejuvenation

*Laser Skin Rejuvenation gently reduces aged and damaged skin by using combined laser technology to restore and rejuvenate the appearance of your skin. Fades the appearance of skin imperfections such as pigmentation, facial redness, vascular lesions, fine lines and brown spots.*

*Treatments can be purchased as single sessions and in packages of three or six. Dr. Harpe recommends at least three treatments for optimal results.*

This facial treatment is completely customizable to your unique needs.

## **Organic Facial** \$75 | 60 Min

Organic products with medical grade effectiveness. This purely organic facial includes a deep pore cleansing, exfoliation, a rejuvenating moisture massage, and a hydrating masque. This facial is great to pair with an organic peel or Dermaplaning for an all-natural rejuvenation experience.

## **Classic Facial** \$75 | 45 Min

This facial includes a brightening cleanse, hydrating massage, a customizable exfoliation, a face, neck and shoulder massage, extractions upon request, and a skincare analysis with our skincare experts.

## **Back Treatment** \$75 | 45 Min

Our Back Treatment is great for cleansing, relaxing and rejuvenating your back. This treatment includes a thorough cleanse, exfoliation, extractions, a detoxifying mask, and a hydrating massage.

## **Microcurrent Treatment for Natural Skin Tightening** \$75

A relaxing treatment that uses the body's own electrical impulses to tighten and firm facial muscles. Recommended in a series of six for optimal results. Can be added to any facial.

## **LED Treatment** \$75

A natural, relaxing and sensationless treatment to tighten and firm skin while also boosting collagen production. We offer an array of LED light spectrums that can focus on treating anything from acne-prone skin, to stimulating collagen production, to lessening appearance of age spots. LED Light is also known to lessen the appearance of age spots. Recommended in a series of six for optimal results. Can be added to any facial.

# CELLUMA LED LIGHT THERAPY

## Celluma Acne Facial \$75 | 45 Min

Acne facial incorporating a cleanse, exfoliation, extractions and the Celluma Blue LED Light Therapy for a 30 minute session. Blue LED therapy is proven to kill acne bacteria and reduce the redness and inflammation post acne lesions. Recommended in a series of 6/\$60 each.

## Celluma Single Session \$60

30 minute LED Light Therapy session to enhance cellular metabolism, accelerate the repair and replenishment of damaged skin cells, relieve pain, treat acne, stimulate collagen and reduce redness.

# DERMAPLANING

**DermaplanePro** Dermaplaning immediately rejuvenates the skin by removing the outermost layer of dead skin cells and vellus hair. It is also highly effective in minimizing the appearance of fine lines, wrinkles and acne scars, while leaving skin smooth, supple and vibrant. Dermaplaning is great for prepping the skin prior to peels and enzyme treatments as it increases penetration of active ingredients. It creates the perfect canvas for makeup application and is the go-to treatment for high profile occasions.

## MEDICAL INJECTIBLES

**Neuromodulators** known as the number one medical aesthetic treatment in the world, these injectable treatments are a great way to prevent and soften crow's feet, frown lines and forehead lines while maintaining a natural look.

Dysport    \$3.85 unit    Botox            \$12/unit

**Natural Hyaluronic Acid Dermal Fillers** known as the “liquid face lift”, these products add volume and youthful fullness to the cheeks, mid face or lips without surgery. Hyaluronic acid is naturally present in youthful skin; however, we lose it as we age. This leads to decreased volume, moisture retention loss and decreased firmness. This treatment is great for restoring and lifting the cheeks, smoothing the smile, lip and marionette lines. It’s also great for restoring volume to the lips and defining the vermilion border. Depending on the product, treatments last approximately 1 to 2 years.
